Eddie and Lura Beckford (Arad, Israel)

Lura wrote: "We've just been informed by Israel Security that we would have 1 1/2 minutes to get to the safe room when we hear the siren. We are hoping that the USA does not strike Syria.

There is more evidence that the rebels (Al Queda) gassed a number of civilians and then blamed Assad, in order to get others involved in the war to overthrow Assad. Iran has promised that it will attack Israel if the USA attacks Assad. Israel has promised to destroy Damascus if Iran or Syria attacks us. We may be seeing Bible prophecy fulfilled about the destruction of Damascus.

Meanwhile, Israelis are trying to get gas masks -- and there is a shortage. We are praying that as fear of an attack spreads, that the Lord will open hearts to receive the Gospel of our Lord and Savior Yeshua! We continue to spread the Word, both literally and by mouth. Thanks for your prayers! Pray also for people and finances to fix up the new place we are in -- there is much electrical work and irrigation hoses to be fixed."

Steve wrote: "Our Orange County Fair Gideons team distributed over 52,000 Bibles to people passing by. I spoke to an Orthodox Jewish family and gave them the Good News "The Messiah has come. His name is Jesus!"

At the Orange County Gun Show, many Christians gave me thumbs up to "Jesus Loves You." There were a lot of witnessing opportunities!

Equipping the Saints at church. The College and Career group, ages 18-25, have expressed much interest in me helping them witness. Jordan and his whole family keep running into Jewish, Israeli families. He is excited as I share with him how to share with Jewish people.

My wife and daughter and I ministered at the Harvest Crusade at Angel Stadium. I had the joy of praying with and giving Bibles to a couple engaged to be married, wanting to give their life to Jesus. Another couple who are living together, and expecting, want to commit their life to Christ and start doing things His way as they start a family together.

There isn't enough room to share all that happens each month. I am excited to be the guest speaker at the Men`s Prayer Breakfast last Saturday of September. God keeps opening doors for speaking engagements. Praise God."

"Again I ask: Did they stumble so as to fall beyond recovery? Not at all! Rather, because of their transgression, salvation has come to the Gentiles to make Israel envious. But if their transgression means riches for the world, and their loss means riches for the Gentiles, how much greater riches will their fullness bring!"-Romans 11:11-12

Atlanta Mall Outreach

LEE and I (Steve Kaplan) try to meet at the mall every Thursday when I am in town. As I drove up one week, a man shook his head at the van. I spoke to him as I walked in the mall, but he didn't want to hear it? Many **ISRAELIS** accept Hebrew/English Prophecy edition New Testaments. Many Jewish and other **PEOPLE** are challenged by my "*Jesus Loves You*" Jewish star t-shirt! Please pray!

Arlene, Arlene, Arlene and Arlene!

I know and pray for four Jewish non-believing **WOMEN** named Arlene. As I was driving home from a mall outreach, I saw Arlene walking her dog across the street I was on. We went to an Israeli owned café, but she rolled her eyes at my t-shirt and van!

As I pulled up to the post office recently, I saw another one of my Arlenes. She often comes to our outreach parties, and we had a nice conversation.

I noticed an Arlene, on my friend's Facebook page, with the same last name as an Arlene I knew in college some 30 years ago. It turns out they went to high school together and I am back in touch with her.

The other Arlene is my aunt who was married to my **MOTHER's** brother (for 50 years) until he died.

Global Awakenings Voice of the Apostles (Orlando, Florida)

It's always exciting to minister at International conventions as we equip hundreds of **PEOPLE** with thousands of evangelistic t-shirts, hats and pieces of jewelry from literally all over the world. Many people told me about non-believing Jewish **PEOPLE** they know, so we stopped and prayed for them. A Gentile **BELIEVER** brought her non-believing Jewish **HUSBAND** to meet me! A convention **WORKER** bought something. The next day I felt led to eat breakfast at a certain Denny's and pulled up right when this same convention worker did. We ate together, and it turns out he's Jewish, claims to be a believer, but doesn't really have a testimony and attends an Orthodox service? I visited my **FAMILY** before and after the convention. On the way home, I stopped at the mall near the University of Florida and found three **ISRAELIS** who were open enough to accept Hebrew New Testaments!

First Baptist Woodstock, Georgia Loves Israel

My church had a missions emphasis after a Sunday evening service with various ministries setting up tables. I had gone to the Orthodox neighborhood to purchase items for our **ISRAEL** table. I went to three stores wearing my "*Jesus Loves You*" Jewish star t-shirt, told them what the items I bought were for and shared with/or challenged several **ORTHODOX JEWS**. I even ran into the **ONE** I had mentioned giving a Bible to in last month's newsletter! **VOLUNTEERS** from past and future Israel Mission Teams wore our "*I Love Israel*" t-shirts, while answering questions at our table, and many **PEOPLE** asked about opportunities to minister in **ISRAEL**!

Blessing Above Blessings!

Since 2002, we've equipped people with over 27,000 evangelistic t-shirts in some 93 countries. The t-shirts are made by mentally challenged Jews who have come to faith through our ministry. People often tell me they see others wearing our t-shirts. Imagine my total joy when my own Mother called to tell me my brother saw someone wearing one of our shirts in his flea market booth in Tampa, Florida!
