Dear Tyrone,

Thank you so very much for moderating the recent screening of your film "Filling the Gap." We have sponsored many events in the past and yours is one of the best and most effective. This is a value-added component to our program that will have a lasting impact.

Your enthusiasm for the film helped to bring history alive for our Upward Bound Program scholars and staff who had high praise for the event. They enjoyed the film and many commented about how much they learned from "Filling the Gap."

The film is such that we will be able to use it again and again to show short segments and engage our students in rich, targeted conversations. For us, this was a wise investment. I am pleased with the quality of your work and materials and professionalism with which they were delivered. These exemplify your commitment to excellence.

Thanks for being so gracious and for taking time to invest into the lives of our Upward Bound scholars. I highly recommend you and your film to others.

Regards,

Dr. Rebekah McCloud
Director
