IN MEMORY OF COBY'S CARING SPIRIT, THIS SCHOLARSHIP WAS FORMED

IN THE SPIRIT OF COBY, WE WANT TO KNOW HOW YOU ARE A LIGHT TO OTHERS

This scholarship will be given to the essay that best embodies Coby's spirit.

It is not for all your academic accomplishments or for all the clubs you joined or participated in. This essay should show how you are a light to others, how you help others, how you are a friend to others.

We want to hear about the real you, the one that cares for and takes time for others, not just activities or volunteering to pad your college transcript. How are you a light to others? How are you making someone's day today?

YOU CAN NOMINATE A FRIEND

If you have a friend who is deserving of this scholarship, you can nominate them via a short essay describing why. (only other students can nominate, not parents).

THE YOUNG MAN BEHIND THIS SCHOLARSHIP

Coby St. Phard was a dynamic young man with a bright future ahead of him. That future was cut short when Coby was taken from us due to mental illness and he died by suicide.

In a box of memories given to Coby's family by his classmates, one thing was confirmed for them. Coby truly was a light to all those who knew him.

Although he was a star athlete, he never let that stop him from befriending a freshman or stopping at someone's lunch table to cheer them up.
