

All of our in-room guest directories are designed by graphic design artists and can be modified to your specifications. A lovely coil bound book with hard cover protective poly covers. There is no charge to your hotel. They are paid for with support from local advertising.

Directories will remain in the rooms for 1 year. At the 1 year anniversary CCP will replace all of the directories with brand new books free of charge and a new advertising campaign will occur. If there are any changes to the hotel information within the year CCP will make those changes and print new books at no charge.
