SUMMER-FALL 2021

God has MOVED! When we were planning for the 2021 CYIA summer, we could have never guessed what God was going to do in our area. Even through time of unrest and confusion, God has opened doors and hearts like never before. With a team of five students and staff, the 5-Day Clubs were an absolute hit to the children of Florence, Darlington, and even CHESTERFIELD counties. They went for four weeks all in the month of July.

God is STILL IN CONTROL! Good News Clubs are starting back up, and we couldn't be more excited! With COVID still being an issue, we will probably not see everything back completely to normal. But we have already started back one club at Greenwood Elementary, reaching almost 100 children and leading two of them to Christ! We are excited to begin several new clubs this Fall, a couple being in Florence with Florence Baptist Temple, and some paving the way in CHESTERFIELD county. This will be the first Good News Clubs ever to be held in that county, so pray for the new volunteers and the children who will be hearing the Gospel for the very first time.
