

Maintenance Technician

- Guelph, Canada
- Full-time

Company Description

Matrix is a full service staffing firm providing professional recruitment solutions for a wide variety of careers.

Job Description

Perform maintenance and repair operations necessary to keep plant, equipment, machinery, & tools in good operating condition. This position is a multi-craft maintenance position with a heavy focus on the Mechanical skill set. This position requires working in a hands-on industrial environment (including working in high heat or cold temperatures). This role carries a wide range of duties from mechanical to electrical on a small to large scale depending on need. The ideal candidate will be result-driven and work safely. This position reports to the Maintenance Supervisor.

Job Responsibilities:

- Inspects, repairs, installs, modify and maintain electrical systems, circuits and various other types of mechanical/electrical and related equipment. Strong industrial electrical skills are a plus.
- Welding (stick), torch cutting and fabricating
- Gear box rebuild experience
- Hydraulic and pneumatic experience
- Have own hand tools
- PLC/CNC troubleshooting experience
- Strong mechanical troubleshooting skills
- Maintain and repair steel cutting band saws
- Plumbing repairs
- Installation of industrial equipment
- Ability to align motors and couplings

Qualifications

- High School or Equivalent
- Technical or Trade School Degree or Certification
- Stick Welding Certification a plus
- 3 years minimum experience in Industrial Maintenance in an Industrial or Heavy Manufacturing environment
- Must be flexible to work 1st, 2nd, or 3rd shift and available to work weekends if needed
- Knowledge of OSHA regulations and/have your OSHA 10 HR Certification
