

ADULT BEGINNERS AND INTRODUCTION TO ARCHERY CLASS

DECEMBER 10TH, 2-5 pm at the Lethbridge Bowbenders Indoor Range.

Cost will be \$20

This class will be an introduction into archery for people who are interested in getting into archery, or who have recently purchased equipment and wish to gain insight on how to properly use it. Topics to be covered will include how to choose the proper equipment for you, determining your draw length, initial set up of your bow, and basics to shooting form. The number of topics covered will depend on the number of participants.

You are encouraged to bring your own equipment and we will make every effort to help set it up so that it is correct for you.

This is the first time we are offering this class. There will be additional classes starting in January. We look forward to seeing you.

My email is twvickers@hotmail.com . Interested parties can email their name, email and contact number or sign up on the poster at the range.

Thank you,

Terry Vickers
