Retired engineer, veteran, attends City & community council meetings, writes news blog.
80% of SLC not allowed housing should allow housing for affordability.
Reverse the defunding the SLC Police which is down over 135 officers.

I AM RUNNING BECAUSE THE SLC COUNCIL:

- **Claimed & celebrated defunding SLCPD (resulting in 50 calls on hold).**
- **Won't fight drugs in homeless & parks & use recommended drug dogs.**
- **Wants increased density in the 12% of SLC zoned for single family.**
- **Planning on SROs (with bath OR kitchen) next to single family homes.**
- **Ignores pollution & speeding in adjacent streets with road changes.**
- **Reduces parking requirements & wants streets prioritized for bicycles.**
- **Refuses to force UTA to implement \$1 fares (UTA has \$355 mil in bank).**
