

ORDINANCE NO. 6

REGULATING THE STRINGING OF WIRE

Sec. 1. UNLAWFUL TO STRETCH WIRES FOR TRANSMISSION OF ELECTRICITY WHEN - It shall be unlawful for any person, firm or corporation to string any wire in any street or alley in the City of Rolla for the transmission of electricity thereon, without having first obtained permission from the City Council so to do.

Sec. 2. WIRES, HOW STRUNG - Any person, firm or corporation, who shall string any such wire in any street or alley of said city shall so string the same and maintain it in such position that it shall not interfere with any other wire, previously strung in the same street or alley for the transmission of electricity and which shall be in proper position.

All such wires heretofore strung in the streets or alleys of the city by permission of the City Council shall within thirty days from the approval of this ordinance be placed in a condition to conform with the provisions of this section and thereafter to be maintained in such condition.

Sec. 3. WIRES WHEN PUT UP NOT TO INTERFERE WITH ELECTRIC CURRENTS. - Any person, firm, or corporation in stringing wires in said streets or alleys or in repairing the same shall so handle such wires that they shall not interfere with the electric current upon any other wire strung in said streets or alleys.

Sec. 4. PENALTY - Any person, firm or corporation who shall violate any of the provisions of this ordinance, shall be fined not less than Five dollars nor more than Fifty dollars for each violation thereof.
