

To whom it may concern,

Addison United Soccer Club is a non-profit organization, dedicated to providing young athletes the opportunity to play at competitive levels within the Chicago-land area. The following athlete _____ is part of an elite group of players whom display extraordinary talents on the soccer field. In order to achieve this talent, they have worked extremely hard.

It is imperative that this hard work transcends into their education and future aspirations in achieving greatness not just as an athlete, but as a student. Your comments below will determine the amount of permitted training time and/or game time we will allow for a particular athlete. Furthermore, we will include the direct contact information for the Head Coach at the bottom of this letter. Please do not hesitate to contact him or her regarding any concerns about a particular student athletes conduct or grade levels. This letter must be turned back into us by _____ for the student athlete to participate in future soccer events.
