January 26, 2022

ANIMAL OF THE WEEK - Beginning next week we will be doing *Animal of the Week* posters.

Your child will be sent home with poster board for them to create a display of his/her FAVORITE animal. It may be domestic or wild, their pet, a pet they would like to have, etc....let them use their imagination! Your child will tell his/her class about their animal poster and it will be displayed for the week. Please help your child to know what that animal likes to eat, where they live and anything else they would like to share about this animal.

MISS SARA'S SECTION - "Hello! Did someone say we are at the end of January? We have been

busy in the classroom, last week we did a fun science experiment to learn how animals in the Arctic stay warm. We are looking forward to Valentine's Day and Parent Teacher Conferences in February. Have a great week!"

VALENTINE'S DAY PARTIES - They will be on Monday, February 14th. The morning class will begin

their party at 10am, the afternoon and full day class will begin their parties at 2:30pm. If you send valentines for your child to give out, please bring enough cards for everyone in his/her class. The morning class will need to bring 16 valentines, the afternoon class will need to bring 20 valentines, and the full day class will need 18 valentines for their classmates & teachers. **Please have your child write their name by the "from" line on their valentines. Please leave the "to" line BLANK. This way your child may walk around and put one card in each classmate's bag and not have to ask who to whom that card belongs.** If you would like to bring snacks/treats or help, there is a sign-up sheet on ParentSquare. If you need help accessing this, please let Michele know. Parents are welcome to attend! If your child does not normally attend school on Monday's, you may bring your child to the party and stay with them through the festivities!
