February Meeting:

The LRCC Club meeting was held on February 6 at the Aero Club.

The club collected \$820 for Toys for Tots in 2017, plus the toys collected. Many thanks to the members who donated so these children could have a nicer Christmas.

Membership Renewals

Get your membership renewal in on or before the March 6 meeting to avoid the \$10 late fee. The gate combination will also be changed at this time. Flying weather is just around the corner, be ready.

April Fun Fly

The April Fun Fly will also be a field maintenance day. We will have more dirt available and be filling holes in the runway and pit area. With enough help we can be done quickly so flying and lunch can begin.

Library Plane Show

We will be doing another show at the Fern Creek Library sometime in mid April. Still in planning stage, we will however need some volunteers to help man the display during he day and evening hours. See Jim Rippy or Gary Esterle and give us times and days you may be available. We generated a lot of interest with last show, now we can invite them out to the field to see what it's like and meet the members.

2018 Aviation Heritage Weekend

We will also be doing a booth at the Heritage Weekend at Bowman Field again this year. We will be looking for display planes and volunteers for this event also.

February What's New

Bill Crawley brought his new 59 inch Revolver, powered by 46 Rimfire and Castle 160 Amp ESC.

Odds n Ends

- >Jerry has vinyl club window decals. Nice and only \$12...
- >AMA cards must be displayed while flying.
- >May meeting will be the first at the field this year.
- >Note we do not send out renewal notices, the postage is too expensive.
- >When locking the gate, the chain goes under the gate not over.

New Member Welcome

Present and joining us at the February meeting:

- > Rick Rice
- > Kevin Duff

We will be looking forward to seeing you at the field.
