total points Sunday night (Cincy/KC) game _____

name _____

contact info _____

RULES:

Pick the winner of each game (NO point spreads) just like every week, **BUT...**

Pick your confidence level for each selection, from **1 to 2**, with **2** being the game you are **MOST** confident in.

UNLIKE REGULAR SEASON, WEEKLY WINNER IS PLAYER WITH MOST POINTS, NOT JUST WINS (and tiebreaker, if nec.)

You may **ONLY** use each number (1-2) every week. And you must use both.

Enter the Points Tiebreaker for the late Sunday night game.

UNLIKE the regular season, tiebreaker losers will **NOT** get anything back. Winners take all.

PLEASE ENTER YOUR RANKING CHOICE (1 or 2) IN THE BOX NEXT TO YOUR SELECTION.

There will be 25 points available each week. 100 total for the overall points pool.

NO TIEBREAKER IN THE OVERALL 4 WEEK CONTEST. IF MORE THAN 1 WINNER, THEY SPLIT POT.
