Open registrations for the

CHATTOOGA INDIANS YOUTH WRESTLING CLUB!

2015 STATE CHAMPS!!! Come experience what it means to be a CHAMPION!

The Indians have been consistently one of the top 5 youth wrestling programs in the state since 1999. With multiple state champions and nationally ranked wrestlers, the athletes produced here have gone on to win High School State Championships and earn scholarship money for college. The team of coaches train the total student athlete and help shape character for a lifetime of success. Registration is \$45 but it is free to stop in for the registration nights and get a feel for the mat. We offer fund raising opportunities to offset the cost.
