- Each athlete should be prepared for a variety of physical and skill testing.
- Each athlete must attend one tryout session and must be pre-registered. Link can be found on our Facebook page & website. <https://forms.gle/9bL98MQp8MiY1rn28>
- Each athlete is to bring your glove and water bottle. You may bring a bat if you own one.
- Each athlete will be contacted by telephone no later than August 12th.

Parents on tryout day please plan to attend a short informational meeting to review the program, cost, and commitment level in playing on a travel team. We then ask parents to return for pickup at the scheduled time. Parents will not be allowed to watch the try-outs or wait.

Slinger Storm recognizes that many of the athletes are involved in other activities during the fall and winter seasons. Although these initial evaluations and tryouts are being held in August, it is not anticipated that teams will practice throughout fall. **Scheduled indoor practices will start January 2021.**

The Slinger Storm Girls Fastpitch program allows athletes to compete at a higher level than recreation programs. The season runs from approximately May to August and teams can expect to play at least 1- 2 league games each week as well as participate in approximately 5 tournaments. Coaches may also schedule additional practices during the week as required.

If it rains please check the Slinger Storm Facebook page <https://facebook.com/SlingerStorm> for updated schedule change.

If you have questions regarding the program, please contact Tony Greenhill [tony@slingerstorm.com](mailto:tony@slingerstorm.com).
