

FAMILY EVALUATION

1. What are 10 goals that you have for your family? (physically, socially, materially, spiritually, educationally, religiously)
2. Does the family know how each is to cooperate in achieving them?
3. What are the necessary factors/resources needed to meet these goals?
4. Does each family member know the Biblical references that explain their role in the home? What are they?
5. Define the role of the following in relation to the family.

Father	Husband	Family	Humor/Fun
Mother	Wife	Home	a Christian
Child	Grandparents	God	Love
Christ	Discipline	The Bible	

6. What are the benefits of Family Devotions?
7. Make a list of projects and creative approaches to make Family Worship exciting for everyone.
8. How can each member be involved in this time with God?
9. In what ways can you meet the needs of those in your family? What are their needs?
10. What is child discipline mean to all? How is it consistently carried out?
11. List 5 ways in which your family can witness to your neighbors.
12. What are some special purposes you could have for vacation time?
13. What is your definition of a "good time" with the family?
14. What part does "cooperation" play in the home?
15. How can there be "peace" in the home?
16. What are your responsibilities/chores in the home?
17. To get you started on resolving some family conflicts, what do the following verses reveal about how to deal with:

Fighting
