FEBRUARY 1983

GREETINGS:

Well 1983 is here and Spring is on its way. You know, it is hard to believe spring isn't already here with the temperatures being in the low 60's in February. There should be a lot going on in '83 with National meets, local meets and just enjoying that old Iron in the spring just to name a few.

Our club display at the Cook Convention Center was quite a success. It let all of the show-goers know that Antique cycling is alive and doing well. We would like to express our special thanks to Fleming Horne, Ron Elliott and Lee Rudd for making the show a success.

FEBRUARY 1983

It is with sad regret that I have to inform you of the death of Indian Joe Martin of Chattanooga, Tn. Joe passed away on January 9, 1983. Joe's advertisements read "Old Fashioned Service from and Old Fashioned Rider" and in all my dealings with Joe, I found this to be true. Joe had reasonable prices and his merchandise was always top notch. Indian enthusiasts and restorers have lost a good friend. We all send our deepest sympathy to Joe's family.

A special thanks goes out again to Confederate Chapter member James Sartain, who has given us a discount to our members at the Harley-Davidson dealership. We all appreciate this service he has given to us.
