CCW Class Information

What to bring:

- Your Nebraska Driver's License or Nebraska State I.D. Card.
- Note taking material.
- Handgun (can be any make, model, or caliber and does not have to be the handgun you carry once authorized to carry concealed). A holster for your handgun, (any type of holster is allowed as long as it allows for drawing from the concealed position).
- Minimum of 80 rounds of ammunition for the handgun you are using; 50 rounds for practice and 30 rounds to qualify.

(Please leave your firearm and ammunition in your vehicle until it is time for the range qualification portion).

- A jacket or shirt that covers the handgun. There is no time limit for firing.
- The course is approximately 6-8 hours of classroom and range; breaks will be given for either lunch or dinner - you will have time to go out or you can bring a sack lunch/dinner and enjoy it in our lobby.
- Coffee is provided and other refreshments/snacks can be purchased in the lobby.

What to review to prepare for class (not required but will be helpful for the class):

- The Nebraska Rules and Regulations, Title 272, Nebraska Administrative Code, Chapter 21 (can be found on the Nebraska State Patrol (NSP) web site <https://statepatrol.nebraska.gov/>).
- The NSP "How to Apply or Renew" web page on the NSP web site.
- The Nebraska Concealed Handgun Permit Application on the NSP web site.
- The course of fire for the live fire qualification course (found on page 24 of Title 272)
- The Concealed Carry FAQ page on the NSP web site.

The course requires a minimum 70% score on a 30 question written test to pass. The course requires a minimum 70% score on the live fire qualification test; using the standard FBI "Q" Target to pass.

Please note *THIS IS NOT* a beginning firearms course, you should be proficient in the use of your handgun and drawing from a holster in the concealed position for the live fire qualification portion of the test.
