

Directions: Place the terms in the appropriate space. Each term is associated with a particular president's domestic or foreign policy. Once each term is correctly placed, use the space on the back of the chart and select one event or policy that you believe best exemplifies each president's administration.

	Truman (1945-1952)	Eisenhower (1952-1960)	Kennedy (1960-1963)	Johnson (1963-1968)
