Schools Supplies for Wallace Elementary

Wallace Elementary has established a “School Supply Closet” in memory of former teacher Andrea Casteen.

The school has requested that instead of buy for an individual student that we purchase items for the closet. This way if a student has a need the teacher can go to the closet and pull what the child needs.

The school is requesting the following items:

- Composition books (not spiral)
- Pencils
- Smaller size glue sticks
- Pink brick erasers
- CRAYOLA Crayons (16 to 24 count – not the large boxes)
- CRAYOLA Markers
- Wide rule loose leaf notebook paper
- Highlighters – in a variety of colors
- Graph paper
- Sheet Protectors
- Plastic 3 prong folders with pockets
- Dry erase markers
- Paper towels
- Hand sanitizer
- Tissues

We will have a collection site set up in the hallway outside the fellowship hall for the next two weeks.
