The American Legion is the nation's largest and most influential network of U.S. wartime veterans, families, and communities. From budget cut hearings to baseball diamonds, combat outposts to children's hospitals, the Legion has something for everyone. With nearly 2.5 million members and some 14,000 community posts, The American Legion is truly a grassroots organization, guided by resolutions that spring from local Legionnaires and are advanced to the state and national levels. From there, American Legion resolutions help shape U.S. policy on many fronts, including veterans' health care, national security, foreign affairs, and the economy.

The American Legion brought into existence the modern VA, the GI Bill, and dozens of health-care benefits. Join with us to preserve the benefits that we have worked so hard to get for our active duty service members, our veterans and their families. ***Cut at line.
