society

A date for your diary

The Toft Historical Society will continue to support and initiate village events during this year to commemorate the 70th anniversary of the end of World War II, thanks to a generous grant from Cambridgeshire County Council.

As part of our commemoration, there will be a showing of *Mrs Miniver*, the classic 1942 film. The film will be shown at **Toft People's Hall on VE Day, Friday 8 May at 8pm**. Admission is free. The Social Club bar will be open.

The film tells the story of a British family struggling to survive the first months of World War II. It is credited with generating sympathy for the British war effort in the United States. It won an Oscar in 1943.
