

After careful and thoughtful consideration, it has been decided that the State Fair Race Meet will be unable to offer futurities this upcoming 2019 race season. The JULY 13, 2019 date that was previously advertised in the January issue of the Racing Journal, the Great Falls Turf Club website, and on facebook is being cancelled due to circumstances beyond our control. The July 20, 21, and July 26, 27, 28 race dates will continue to run with futurity replacement races offered!

We apologize for any inconvenience to our horsemen and thank you for your consideration in this manner. Any questions may be referred to Sparky Kottke, Director of Racing, State Fair Race Meet, Great Falls, Montana at 406-750-4268 or 406-727-4249. Please leave a message and you will be contacted as soon as possible.
