Bingo Cards: We have on our website ready to go Bingo Cards. You can choose which one you do— Reading Bingo, Activity Bingo, or both. Each card has the instructions on how it works and how to send us the information we need.

- Activity Bingo: you will pick an activity to do (one a day, or it's no fun) and send us a picture or video of you doing the activity so you can mark that off on your Bingo card. Once you fill the entire Bingo card, let us know and we will store your completion to win something fun when we return.
- Reading Bingo: grab yourself a good book based on the Bingo card. Once you read that book, mark it off on your card. It might be a genre, an author, or a book recommendation. Once you fill out a row on the bingo card, let us know and we will keep you in our records to win something fun once we return.

Chalk the Town: Bring your sidewalk chalk down to the library and decorate the sidewalk with bright colors and beautiful pictures. Be mindful of social distancing, keep 6 feet between you and others and wear a facemask.

Virtual Escape Room: Another fun escape room is here for you right in the comfort of your own home. The Escape Room is themed around Magic Tree House. Jack and Annie have been trapped in their tree house and they need your help to escape. Post a picture of you and your family doing the Escape Room and check in at the library. Use #mullikenlibrary or #mullikenlibraryescaperoom as well.

Artwork Week: Mail or drop off your artwork in the dropbox and the staff will hang them up on the exterior windows.

Recipe Exchange: email us your favorite recipes and we will put them together to make a Mulliken Library Quarantine Cook Book

Things to Do: Follow us on Facebook and Instagram to see resources, stay at home fun, updates on our events/activities and general library news. PLEASE send us the photos and videos, as the more responses we get the more we can count for State-Aid. We rely on our state-aid funding to bring fun events and activities to you, plus it is more fun when more play along. 😊

TOGETHER WE WILL GET THROUGH THIS!

Continue to stay home and stay safe. We are here to help combat the boredom! #alonetogether
