

GEORGE W. HICKS, M.D.
Curriculum Vitae

BUSINESS ADDRESS: 229 Forest Boulevard
Indianapolis, IN 46240

BUSINESS PHONE: 317-432-9256

E-MAIL: georgewhicksmd@gmail.com

DATE OF BIRTH: November 23, 1940, Jersey City, New Jersey

CITIZENSHIP: United States of America

MARITAL STATUS: Married, Three Children

LICENSE: Indiana

CERTIFICATION: American Board of Otolaryngology--Head & Neck Surgery, 1973

EDUCATION:
High School Diploma St. Peter's Preparatory School, Jersey City, NJ
B.S., 1963 St. Peter's College, Jersey City, NJ
M.D., 1967 St. Louis University School of Medicine, St. Louis, MO.

POSTGRADUATE TRAINING:

7/67-6/68 Rotating Internship, U.S. Public Health Service Hospital
Staten Island, New York

7/68-6/69 General Surgery Residency, U.S. Public Health Service Hospital
Staten Island, New York

7/69-6/70 Staff Physician, Assistant Surgeon, Acting Chief of Department of Otolaryngology,
Military Service, U.S. Public Service Hospital Staten Island, New York

7/70-6/73 Otolaryngology Residency, Indiana University School of Medicine,
Indianapolis, Indiana

1/76-12/76 Preceptorship in Neurotology, Wright Institute of Otology,
Indianapolis, Indiana

9/95-5/96 Executive Health Care Management Program, University of Indianapolis,
Indianapolis, Indiana

PROFESSIONAL EXPERIENCE:

7/73-12/75 Private practice of Otolaryngology, Stamford, Connecticut

1/76-7/31-2014 Private practice of Otology/Neurotology, Indianapolis, Indiana

1/96-2011 Medical Director, Midwest Ear Institute, Indianapolis, Indiana

1/96-10/04 Medical Director, Balance Institute of Indiana, Indianapolis, Indiana

7/14-present Veterans Administration Hospital, Indianapolis, staff physician, surgeon and
instructor

ACADEMIC POSITIONS:

1/76-present Faculty, Clinical Instructor of Otolaryngology, Indiana University School of Medicine, Indianapolis, Indiana
Lecturer: Community Health Network, St. Vincent Indianapolis Hospital
7/14-present Faculty, Marian University School of Medicine, Indianapolis, IN

MEDICAL STAFF MEMBERSHIPS:

Community Hospitals, Indianapolis, active, 1985-present
Indiana University Health, Indianapolis, active, 1985-present
Veteran Administration Hospital, 6/14/14-present

PROFESSIONAL SOCIETY MEMBERSHIPS:

Indianapolis and Indiana State Medical Associations
American Academy of Otolaryngology--Head & Neck Surgery
American Neurotology Society
American Laryngological, Rhinological, & Otological Society
Otosclerosis Study Group
Indiana Academy of Otolaryngology
Prosper Meniere Society
American Tinnitus Association

HOBBIES - Long distance running, coaching youth sports, opera

APPOINTMENTS

Volunteer Faculty, Clinical Instructor of Otolaryngology, Indiana University School of Medicine, Indianapolis, Indiana, 1/76-present.

Member, Board of Directors and Medical Advisory Committee, The Wright Institute of Otolaryngology, Inc., Indianapolis, IN, 1976-1987.

Member, Board of Directors, Head & Neck Cancer Rehabilitation Institute, Indianapolis, IN, 1984-1993.

Founder, Indiana Hearing Ear Dog Program, 1984.

Co-Investigator, Middle Ear Implant Research, Richards Medical Company, Memphis, Tennessee, 1986-1990.

Co-Investigator, Multi-Channel Cochlear Implant, University of California at San Francisco, Storz Instrument Company, St. Louis, Missouri, 1985.

Drug and Device Subcommittee, Institutional Review Board, Community Hospitals of Indianapolis Medical Research Institute, 1980-1992.

Co-Investigator, Eli Lilly & Company Clinical Drug Research, 1989-1995.

Chairman, Department of Otolaryngology, Community Hospitals of Indianapolis, 1979-1980

and 1986-1987.

Chairman, Medical Records Committee, Community Hospitals of Indianapolis, 1990-1991.

Member, Governor's Committee of Hearing Aid Dealer Examiners, 1991-1995.

39. Middle Ear Infections--Treatment Update, Treatable Nerve Hearing Loss, Course Director and Lecturer, Update Otolaryngology, Community Hospitals Indianapolis, October 30, 1991.
40. Perilymph Fistula and Meniere's Disease: A Treatment Dilemma--A Review of 25 Cases, The Triologic Society, Middle Section Meeting, Cleveland, OH, January, 1992.
41. Meniere's Disease, Symptoms and Treatment, National CBC Radio Network, May 29, 1992.
42. What's Next for Health Care?, Roundtable Discussion, Indianapolis C.E.O., Indianapolis, IN, Volume 6, Issue 3, August, 1993, pages 20-28, 45-59.
43. Otitis Media, Indiana Family Practice Meeting, Eli Lilly and Company, Indianapolis, IN, December 8, 1993.
44. Evaluation of the Dizzy Patient, Hawley Army Hospital, Indianapolis, IN, January 11, 1994.
45. Treatment of Otitis Media, Indiana Family Practice Annual Meeting, Nashville, IN, March 21, 1994.
46. Middle Ear Infections, Treatable Nerve Hearing Loss, Course Director and Lecturer, Update Otolaryngology, Community Hospitals Indianapolis, September 21, 1994.
47. Pediatric Otolaryngology, Indiana Family Practice Seminar, Mead Johnson, Indianapolis, IN, October 19, 1994.
48. Read my lips: it will hurt your ears. Interview in Indianapolis Star. February 20, 1995.
49. Meniere's Disease, Saturday Evening Post, September/October, 1995, pages 93-94.
50. Health Care: In The Pressure Cooker. Roundtable Discussion, Indianapolis C.E.O., Indianapolis, IN, Volume 8, Issue 4, September, 1995, pages 22, 51-60.
51. Meniere's Disease, Community Hospital Forum, Indianapolis, IN, September 29, 1995.
52. Dizziness and Imbalance, Community Hospital Forum, Indianapolis, IN, February 2, 1996
53. Treatable Sensorineural Hearing Loss", "Dizziness--Is It Central or Is It Peripheral?" Course Director and Lecturer, Update ENT 1996, Community Hospitals Indianapolis, March 20, 1996.
54. Dizziness & Imbalance, St. Joseph Hospital, Kokomo, IN, April 16, 1996
55. Practical Anatomy and Physiology of the Vestibular System-101, Audiometry,

- Electronystagmography, Electrocochleography, Platform Posturography, VAT,
Course Director and Lecturer, Management of the Dizzy Patient, Community Hospitals
Indianapolis, October 11, 1996.
56. Geriatric Otology, Community Hospital Forum, Indianapolis, IN, December 6, 1996.
 57. Hearing Loss in Children, Indy's Child, May, 1996.
 58. How One Otolaryngologist Created an Online Office, American Academy of Otolaryngology-Head & Neck Journal, August, 1997.
 59. Establishing an On-Line Office, Indianapolis Medical Journal, August, 1997.
 60. Intratympanic and Round Window Drug Therapy: Effect on Cochlear Tinnitus, Presented at the International Tinnitus Society Meeting, San Antonio, Texas, September 22, 1998.
 61. Unplugged--A common surgical procedure brings relief to kids whose earaches and hearing problems are caused by otitis media, The Indianapolis Star/The Indianapolis News, April 6, 1999.
 62. ENT Update, Course Director, Lecturer, Dizziness, Ear Infections, Indianapolis, IN, October 16, 1999.
 62. Management of the Dizzy Patient, Course Director, Lecturer--Distinguishing Central versus Peripheral Vertigo; Integration of History Lab, & Test Results: Medical & Surgical Management. Indianapolis, IN, April 16, 1999.
 63. Dangerous Whirl: Persistent dizziness often indicates inner-ear problems, The Indianapolis Star/The Indianapolis News/ August 6, 2000.
 64. ENT Update, Course Director, Lecturer--Dizziness: Central and Peripheral; Seven Otologic Emergencies, Indianapolis, IN, October 6, 2000.
 65. Common Otologic Problems, Indiana Nurse Practitioners Association Annual Meeting, Indianapolis, IN, March 9, 2001.
 66. Seven Otologic Emergencies, Indiana Academy of Physician Assistants Annual Meeting, Indianapolis, IN, October 5, 2001.
 67. Chemical Perfusion of the Inner Ear, Community Hospitals Forum, Indianapolis, IN, March 1, 2002.
 68. Community Hospitals Neurology Grand Rounds, Community Hospitals Indianapolis, Indianapolis, IN, April 16, 2002.
 69. Treatment of Meniere's Disease: Chemical Perfusion--Meniett Therapy, Indiana Speech and Hearing Association Annual Conference, Indianapolis, IN, April 25, 2002.
 70. A Primer on Motion Sickness. Sound Medicine radio interview, Indiana University School of Medicine and WFYI, Indianapolis, July 7, 2003.

71. Varying Degrees of Hearing Loss. Sound Medicine radio interview, Indiana University School of Medicine and WFYI, Indianapolis, May 29, 2005.
72. Medicare Maze: As it Relates to Patient Care. Fourth UK/US Joint Otolaryngology Meeting, Alaska, July 17-24, 2005.
73. Intratympanic Corticosteroids in the Treatment of Sudden Sensorineural Hearing Loss. First World Chinese Otorhinolaryngology-Head & Neck Surgery Conference, Beijing, China, May 14-15, 2007.
74. That ringing in your ears may be caused by many things. Interview with Indianapolis Star. August 21, 2007.
75. Baha treatment reduces hearing loss. Interview in Indianapolis Star. March 25, 2008.
76. Sudden Sensorineural Hearing Loss – An Otologic Emergency. Indiana State Hearing Speech Language Association Annual Conference, March 28, 2008.
77. High Tech Hearing Devices. Sound Medicine radio interview, Indiana University School of Medicine and WFYI, Indianapolis, June 22, 2008.
78. Sudden Sensorineural Hearing Loss. Joint Anglo-American Otolaryngology Meeting, American Academy of Otolaryngology—Head & Neck Surgery, Dublin, Ireland, July 5-8, 2008.
79. Sudden Sensorineural Hearing Loss. Purdue/Indiana University School of Speech and Audiology Annual Conference, Lafayette, Indiana, October 2009.
80. Sudden Sensorineural Hearing Loss-Diagnosis and Treatment. 14th International Symposium and Workshops on Inner Ear Medicine and Surgery, Zillertal, Austria, March 7-12, 2010.
81. Annual Lectures to Indiana University School of Medicine, Department of Otolaryngology Residents--2005 to present on topics such as Endolymphatic Hydrops, Chemical Perfusion, Sudden Sensorineural Hearing Loss, Meniere's Disease, Differentiating Peripheral and Central Vertigo, Surgery for Chronic Ear Disease.
82. Ongoing Lectures to St. Vincent Healthcare, Department of Family Practice and Internal Medicine--2005 to present on topics such as Vertigo, Seven Red Flags of Ear Disease, Meniere's Disease.
83. Ongoing Lectures to Community Hospitals Indianapolis, Department of Family Practice--2005 to present on topics such as Vertigo, Seven Red Flags of Ear Disease, Meniere's Disease.
84. Contributor to Sound Medicine, a weekly radio show on healthcare subjects sponsored by the Indiana University School of Medicine and WFYI, Indianapolis NPR affiliate.
85. Ear, Hearing, & Balance Disorders. Indiana Speech-Language-Hearing Association Spring Meeting. April 6, 2013. Indianapolis, Indiana.

CONTINUING MEDICAL EDUCATION

The Balance Center Concept. 16 CME Category I hours, NeuroComp, Inc., Orlando, FL, March 5-7, 1995.

1994-1995 Medical-Legal Update. 20 CME Category I hours, American Educational Institute, Inc., Sanibel, FL, April 27-31, 1995.

American Academy of Otolaryngology—Head & Neck Surgery Annual Meeting. 16 CME Category I hours, New Orleans, LA, October 3-6, 1995.

Estes Park Institute 146th Educational Conference. Scottsdale, AZ, October 8-12, 1995.

1995-96 Medical-Legal Update. 20 CME hours, American Educational Institute, Inc. Whistler, Canada, December 18-24, 1995.

Combined American Academy of Otolaryngology Spring Meetings. 20 CME Category I hours, Orlando, FL, May 3-6, 1996.

The Second Harvard Conference on Strategic Alliances in the Evolving Health Care Market. Boston, MA, May 16-17, 1996.

ENT Update 1996. 7 CME Category I hours, Community Hospitals Indianapolis, IN, March 20, 1996. Course Director.

The American Neurotology Society, Scientific Meeting. 6 CME Category I hours, Washington, DC, September 28, 1996.

American Academy of Otolaryngology—Head & Neck Surgery Annual Meeting. 20 CME Category I hours, Washington, DC, September 30-October 4, 1996.

Management of the Dizzy Patient. 6.25 CME Category I hours, Community Hospitals Indianapolis, Indianapolis, IN, October 11, 1996. Course Director.

The New York Otology and Neuro-Otology Update 1996. 21 CME Category I hours, Mt. Sinai Medical Center, New York, NY, October 31, November 1-2, 1996.

Community Hospitals Physician Forum, Monthly Presentations. Community Hospitals, Indianapolis, IN, 1 CME Category I hour, 1994-present.

1996-97 Medical-Legal Update, 12 CME Category I hours, American Educational Institute, Cancun, Mexico, December 22-25, 1996.

The Great Physician Enterprise, Medical Leadership Council, Advisory Board Company. New York, NY, April 11-12, 1997.

New Advances: Minimally Invasive Otologic Surgery for the Practicing Otologist and Otolaryngologist. 14 CME Category I hours, Sarasota Memorial Hospital, Sarasota, FL, February 14-15, 1997.

Minimally Invasive Surgery Seminar. Cleveland Clinic Foundation, Cleveland, OH, May 1997.

Exceptional Practice & Acute Care Reform, Medical Leadership Council, Advisory Board. Washington, DC, September 18-19, 1997.

Ninth Annual Interdisciplinary Seminar: Diagnostic & Rehabilitative Aspects of Dizziness and Balance Disorders. 24 CME Category I hours, Denver, CO, December 4-7, 1997.

Strategic Think Tank Session (STTS). Round Window Catheter Technique, 3 CME Category I hours, Biometrix, Inc., Denver, CO, December 7, 1997.

American Neurotology Society Fall Program. 3 CME Category I hours, Reimbursement Issues In Otolaryngology, Semi-implantable Hearing Devices & Cochlear Implants, San Antonio, TX, September 12, 1998.

American Academy of Otolaryngology—Head & Neck Surgery Annual Meeting. 8 CME Category I hours, The Management of Childhood Hearing Problems, Dizziness & Balance Dysfunction in the Aging Patient, A Practical Approach to the Assessment of the Dizzy Patient, Tinnitus Update: Treatment Strategies, Antimicrobial Therapy in Otolaryngology, Medical Graft Tympanoplasty Using Williams Microclips, Aminoglycosides for Vertigo, San Antonio, TX, September 12-14, 1998.

Strategic Think Tank Session (STTS), Chemical Perfusion and Round Window Catheter Technique. Indiana University School of Medicine, Department of Otolaryngology, Indianapolis, IN, October 10, 1998.

1998 Medical-Legal Update. 20 CME Category I hours, American Educational Institute, Lake Tahoe, NV, December 20-14, 1998.

Evaluation and Management of the Patient with Dizziness. 13.75 CME Category I hours, New York University Medical School, NY, April 9-10, 1999.

Management of the Dizzy Patient. 7.25 CME Category I hours, Midwest Ear Institute and Community Hospitals Indianapolis, Indianapolis, IN, April 16, 1999.

Risk Awareness for Physicians. 8.5 CME Category I hours, Indianapolis, IN, October 10, 1999.

Symposium on Middle Ear Mechanics in Research & Otosurgery. 29 CME Category I hours, Harvard Medical School, Boston, MA, October 21-24, 1999.

American Neurotology Society, American Otologic Society, The Triological Society. 24 CME Category I hours, Orlando, FL, May 13-17, 2000.

The Balance Course: Evaluation and Testing of the Dizzy Patient. 8.5 CME Category I hours, American Neurotology Society Fall Meeting, Washington, DC, September 22, 2000.

American Neurotology Society Fall Meeting. 4.0 CME Category I hours, Washington, DC, September 23, 2000.

American Academy of Otolaryngology—Head & Neck Surgery Annual Meeting. 14 CME Category I hours, Washington, DC, September 21-27, 2000.

ENT Update 2000. 7.5 CME Category I hours, Community Hospitals Indianapolis, IN, October 6, 2000.
Course Director

Combined Otolaryngology Spring Meetings, American Neurotology Association, American Otological Society, The Triological Society Meeting. 15 CME Category I hours, Palm Springs, CA, May 11-14, 2001.

What's New in Neurology for Primary Care 2002, 5.5 CME Category I hours,
Community Hospital, Indianapolis, IN, February 28, 2002.

15th Annual AAO-HNS Cherry Blossom Conference: Contemporary Management of
Hearing Loss. 15 CME Category I hours, Arlington, VA, March 22-24, 2002.

Combined Otolaryngology Spring Meetings, American Neurotology Society. 7.4 CME
Category I hours, American Otological Society, 8 CME Category I hours,
The Triological Society, 11 CME Category I hours, Boca Raton, Florida,
May 10-14, 2002.

Risk Management Rounds: Physicians, Independent Study Course. 7.5 CME Category 1
hours, Medical Risk management, Inc., Indianapolis, IN, June 7, 2002.

AAOA Foundation Basic Course in Otolaryngic Allergy. 30 CME Category I hours,
Ottawa, Canada, June 27-30, 2002.

Addiction Medicine: New Strategies for a New Millennium. 10 CME Category I hours,
Harvard Medical School, Boston, MA, October 18-19, 2002.

The Triological Society, Middle Section Meeting. 10 CME Category I hours, Indianapolis, IN, January
17-19, 2003.

Neurology Connection 2003. 4.0 CME Category I hours, Community Hospital, Indianapolis, IN, March
1, 2003

16th Annual AAO-HNS Cherry Blossom Conference: Skull Base Medicine and Surgery. 16 CME
Category I hours, Arlington, VA., March 21-23, 2003.

Weinstein Cardiovascular Development Conference. Harvard Medical School,
