

General Plan Steering Committee #2
EMERGING THEMES – DRAFT FOR DISCUSSION

1. A distinctive community, combining “small town feeling” and leading edge spirit
2. Development in keeping with the City’s heritage, scale, and environment
3. Managed, balanced growth
4. Efficient and integrated circulation system that promotes multi-modal mobility
5. An open space plan that protects the city’s defining open space features
6. A park system that meets the community’s active recreational needs, and a completed “emerald necklace” and trail system
7. A city that serves as the environmental steward and grows sustainably
8. A unified Redlands that fosters a strong sense of community and participation with a balance of services and amenities across the City.
9. A reinvigorated Downtown that integrates preservation, thriving commerce, and diverse housing options
10. A vital community, with strong commerce, arts and entertainment, and leading edge businesses
