**SARAH RAS****INTRO TO ART**

*Time: 2nd Period, 10:30-11:30am*

**Description:**

This course is open to K-5th graders, as any project can be modified depending on age. Students will be led through a variety of lessons in which they will learn all kinds of techniques in drawing, painting, sculpting, and crafting. They will develop fine motor skills as they work on projects that incorporate eye/hand coordination. Each project will be teacher-led, but all students will be able to develop their own style within the lessons.
