MESSAGE FROM THE MAYOR

Food Security

In the last couple of days Village staff have been in contact with most of the grocery stores in Campbell River to discuss this very important issue.

They all realize at times over the next few weeks that they may not have everything you need, but they have assured us that they continue to receive inventory as fast as the product can get to them.

As we continue to deal with COVID-19 and we all respect Social Distancing if you are going into town for groceries or another reason, please talk to your neighbors, friends see if there is anything you can pick up for them.

Bob from Highway Delivery has posted he will continue to serve Gold River on Mondays, Wednesday, and Fridays.

Take care everyone!

Brad Unger, Mayor
