We closed as a necessary precaution, mandated by our Governor, County Executive, local Mayors and our Board of Directors, because we are considered a non-essential business, to ensure the protection of our most vulnerable demographic. **Until we have been given the go ahead, the staff at FSC will be available for anyone to call with questions, concerns or if you just need to talk to a friend. (315-637-9025 Mon, Wed or Fri. from 11am-1pm)** We are ALL feeling the effects of loneliness, helplessness and just plain sadness. Please stay inside, read a good book, watch that program you haven't been able to get to or call your friends, you can also contact the senior help line for anything you may need. 315-218-1987. If you do need to go out, protect yourself with the social distancing, a face mask, and gloves if possible. Please stay safe and healthy and we will be reunited soon. **Hopefully we will be opening on June 1st. Please call our machine, check our website or Facebook page to keep abreast of the situation.**

**THE RUMMAGE SALE COMETH**

We are planning to hold our rummage sale sometime in **Sept.** The Covid-19 virus has delayed some of our activities but that doesn’t mean we won’t be having them, we are rescheduling. The date has yet to be announced but as soon as we have clearance we will announce it. Starting the middle of May, you can bring your items and leave them at the ramp door (do not block).

We **can not** take mattresses, older electronics (pre-2018), chemicals, used writing implements or office supplies, shoes or exercise equipment. If you are not sure, please call (315-637-9025) and leave a message on the centers machine. We will answer your questions as quickly as possible. At this time we can not pick items up but this may change as the virus confines change. This rummage sale will need to be one of our best yet. With the unstable economy and donations down, it is vital to do well in order for us to support you in the way you deserve.

If you do not see your birthday listed, please let us know.

If you have missed your birthday month celebration due to closure, please feel free to celebrate with us in the month we reopen.

It has been a rough few months and we all need to band together to return things to normal, whatever that might be. Whether it is in the month of June or later down the line in Sept. we will need to take care of each other with kindness and patience. Until we are fully operational again, we have only one employee to handle all the assorted business of the center. Everything from building maintenance to financials are being handled but at a little slower pace. If you need to contact us please know that we will get back to you as quickly as we can. You are all well loved here at the center, and consider you family and friends.
The Fayetteville Senior Center’s Building and Memorial Fund is a living memorial to our friends. Gifts may be given on the occasion and in memory of anniversaries, birthdays and for get well wishes as a means of sharing happiness or times of sorrow. These tax deductible gifts are used to enhance the lives of the seniors in our community.

The Staff, Members and Board of Directors of the Fayetteville Senior Center offer their sincere condolences to the families of our honored members.
Dot Downing, Dixie Erickson and Pat Ferris
