Issue: Work detail and coordination for home games

- We have had excellent help with parking for the past couple of home games
- Some people complaining about not being able to go back to their car and re-enter the gate.
- Restrooms have not been cleaned/maintained properly.

Response:

- Gracious thanks to all who have honored their work assignments, and to the extra volunteers who have shown up to help when needed.
- Signs are posted at the gates stating that there is no exit/re-entry without purchasing a new ticket. Ticket sellers can verbally tell people, but they are not required to do so.
- Restroom maintenance is Woodham's responsibility. Will try to contact representatives at the school to remind them and/or ask for extra supplies on game days.

- Football program earned approximately \$480 from FanCloth orders.

**ITEM 7:**

Question: Should we have one large end-of-season banquet for the entire football program, or have one for Varsity and one for JF/F?

Discussion:

- Concerns about location, numbers, and cost
- Estimated number of players on each team:
  - Varsity: 50
  - JV: 40
  - Freshmen: 60
- Point of view: Having one event for everyone will make all teams feel included
- Opposing point of view: Separating the banquet into two events will make teams feel more special.

Response: Table this decision for future meetings.

**ITEM 8:**

Information: Next Boston Butt sale is in October. We will not cook turkeys at the holidays this year.

**ITEM 9:**

Question: My son had his picture made using one number, but he has been playing with a different number. Why?

Response: The pictures were taken using one set of jerseys. That set may not have had all of the available numbers.
