However, if notice is given on May 1 or before, end of billing cycle would be May).

**Long-term Absence/Vacation**

In the case of short-term absence/vacations (less than 3 months) taken by parents', it is required that full payment for those months be paid. However, if the vacation is for an extended period (3 months or longer) – half of the monthly charge is required to reserve/hold the child's registration.

## IMMUNIZATION (VACCINATION) INFORMATION FOR CHILDCARE

All childcare facilities in BC are required by law under the *Community Care and Assisted Living Act* to keep a record of each child's immunization history. These records are required to be made available to Vancouver Coastal Health Authority (VCH) medical health officers for public health programs. The information you provide on this form will be used to update your child's health record at VCH in order that: medical health officers may respond if a disease outbreak occurs in your childcare facility; public health staff can recommend immunizations which your child may be missing; and VCH is able to provide better care to your child as part of its public health programs. **Please complete and return this form to your childcare facility.**

## **Sickness & Administration of Medication Policy**

Parents/ guardians are strongly encouraged to keep children who are sick at home to prevent the spread of illness/disease at the centre (please email/call to let us know if your child will be absent). If a child comes to the centre ill, parents will be asked to find alternate care for that day. According to Vancouver Coastal Health, a child is considered too sick to attend when s/he has any of the following symptoms:

- Difficulty in breathing –wheezing or a persistent cough
- Fever of 100 degrees Fahrenheit (38.3 degrees Celsius or higher)
- Sore throat, trouble swallowing or excessive coughing
- Infected skin or eyes, or an undiagnosed rash
- Severe headache or stiff neck (should see a physician)
- Diarrhea, nausea or vomiting
- Severe itching, dry skin of either body or scalp caused by head or body lice or scabies
- Infectious or communicable diseases (including but limited to the list below):
  - Chickenpox and Shingles(Varicella)
  - Cold Sores (Herpes Simplex type 1,2)
  - Croup
  - Ear Infections
  - Fifty Disease (Parvovirus B19)
  - Hand, Foot and Mouth Disease
  - Impetigo
  - Influenza(Flu)
  - Measles
  - Meningitis (Bacterial & Viral)
  - Methicillin-Resistant Staphylococcus aureus (MRSA)
  - Molluscum Contagiosum
  - Mononucleosis (Mono)
  - Mumps
  - Norovirus
  - Pneumonia
  - Roseola
  - Rotavirus
  - Rubella (German Measles)
  - Streptococcal Infections
  - Thrush and Candida Diaper Rash (Yeast Infection)

The child may not return to the centre until the above symptoms subside for **minimum period of 24 hours** and is well enough to participate in all areas of the program including outdoor play.

If your child becomes ill during the day, you will be notified to pick up your child immediately. If we cannot contact you, we will call the emergency contacts. Your child may be given a quiet area to rest, away from the other children, but within supervision of staffs, until an authorized person arrives to pick up your child.

- ☐ Dispensation of Medication [check only if you would like staff to administrate medication on your behalf (i.e. antibiotic course, etc)]

It is preferred that parents administer medications at home; however, staff will administer medication if your child is on a medication schedule, providing the following procedures are followed:

- Prescription medications require a parent to provide a completed '*Request for Administration of Medication Form*' (see section below – this excludes inhalers and epi-pens). Medication must be in the original container stating child's name, dosage and time to be given.
- Parents must hand deliver their child's medication to Little Munchkin staff.
- If your child has an inhaler - it must be with the child/staff at all time. Please coordinate with the centre manager.

If your child is receiving medication for a communicable disease, he or she must be on medication for a **minimum 24 hour period** and symptoms must subside during that period (i.e. **symptom free for minimum of 24 hours**) prior to returning to the centre.

The centre, staff or any of its affiliations is not liable/responsible for any adverse effects caused resulting from dispensation of medication to the child.

We agree to the terms of the sickness and medication policy outlined above.
