2010.30 WORK WEEK - *The work week shall consist of seven (7) consecutive days from 12:01 o'clock A.M. Monday, through midnight Sunday.*

Overtime & On-Call Requirements

Overtime pay is based on actual hours worked. Time taken for lunch or dinner is not included as time worked for purposes of computing overtime. Time off on holidays, sick leave, vacation leave, personal leave, training seminars, or any leave of absence will not be factored in as hours worked when calculating overtime.

Due to the critical nature of the services provided by the District and the ability for employees to respond to an emergency situation, District critical employees (defined as: Field Operations Supervisor, Utility Worker, and Serviceperson I, II, or III) must have their place of residency within 10 miles of the District office as determined by MapQuest search.

Because of the critical nature of the work, employees may be asked to work overtime on weekends or holidays or additional hours during the regular workday and are expected to comply with such requests. In addition, employees are expected to participate in rotational, on-call duty as described in Policy #2010.

Overtime compensation is paid to all nonexempt employees at one and one-half times the straight time rate for all hours worked in excess of 8 per day and 40 hours per week.

If you are nonexempt, you must receive authorization from the General Manager before working overtime. After you have worked overtime, you must enter it on a timesheet no later than the day after it is accrued.

Notification of an emergency incident/repair/maintenance work need may also be given verbally, in person or telephonically, by the General Manager or Field Operations Supervisor.

The General Manager shall issue his/her opinion and decision within ten (10) working days of the hearing and may, if the General Manager finds that the dismissal was not justified, he/she may order a less severe disciplinary action, or may order the full time employee reinstated with full back pay and benefits.*

Full time employees who are suspended without pay for more than five days, demoted or dismissed,

may request an appeal hearing before the Board, or its designee, by submitting a request for appeal within ten (10) days of receipt of a notice of one of the aforementioned disciplinary actions. The request for appeal must be in writing and submitted to the General Manager and President of the Board. It must set forth the reasons for the appeal. A hearing will then be conducted by the Board or its designee within 30 days of receipt of the request for appeal. The hearing need not be conducted according to the formal rules of evidence.

For purposes of the disciplinary processes set forth in Board Policy Section 2250.30 and 2260.50, "full time employees" only include those "full time employees" who have successfully passed their probationary period.

Leave

Family Leave

Under the Federal Family and Medical Leave Act of 1993 (“FMLA”), if an employee has more than 12 months of service with the District, has worked at least 1,250 hours in the past 12 months and is employed at a worksite with 50 or more employees or the District employs at least 50 employees within 75 miles of a employee’s worksite, the employee may have a right to FMLA leave. Effective January 1, 2021, under the California Family Rights Act of 1993 (“CFRA”), if an employee has more than 12 months of service with the District and has worked at least 1250 hours in the past 12 months, the employee may have a right to CFRA leave.

If eligible for FMLA leave, an employee may be entitled to take up to 12 work weeks of unpaid, job protected leave in a 12-month period for the birth, adoption, or foster care placement of employee’s child, for an employee’s own serious health condition or to care for employee’s child, parent, or spouse. For CFRA leave, the employee is also entitled to take such leave to care for a grandparent, grandchild, sibling or registered domestic partner with a serious health condition. In addition, under CFRA an employee may take leave because of a qualifying exigency related to covered active duty or call to covered active duty of an employee’s spouse, registered domestic partner, child or parent in the armed forces of the United States as specified in applicable law. At this time, the District has no employees eligible for FMLA leave because the District employs less than 50 employees.

For CFRA leave, the District requires the employee to utilize vacation leave and sick leave while on such leave. The only exception to this is the employee may not use sick leave during a period of CFRA leave in connection with the birth, adoption or foster care of a child, or to care for a child, parent, grandparent, grandchild, sibling, spouse or registered domestic partner with a serious health condition unless mutually agreed to by the employee and the General Manager.

While on CFRA, the District will maintain and pay for coverage under a group health plan, for the duration of the leave, not to exceed 12 workweeks in a 12 month period, commencing on the date leave under CFRA commences, at the level and under the conditions coverage would have been provided if the employee continued employment continuously for the duration of the leave.

Employees must continue to pay their portion of group health plan premiums while on CFRA leave.

In computing the 12-month period, the District utilizes a rolling 12-month period measured backward from the date leave is used.

During CFRA leave, the leave shall not constitute a break in service for any employee benefit plan. An employee shall return with no less seniority than employee had when leave commenced, for purposes of layoff, recall, promotion, job assignment, and seniority related benefits, such as vacation.

If the employee's need for leave is foreseeable, the employee shall provide the District with reasonable advance notice of the need for the leave.

If the employee's need for leave pursuant to this section is foreseeable due to planned medical treatments or supervision, the employee shall make a reasonable effort to schedule the treatment or supervision to avoid disruption to the operations of the District, subject to the approval of the health care provider of the individual requiring the treatment or supervision.

The District requires that an employee's request for leave to care for a child, parent, grandparent, grandchild, sibling, spouse, or registered domestic partner who has a serious health condition be supported by a certification issued by the health care provider of the individual requiring care. That certification shall be sufficient if it includes all of the following:

- (A) The date on which the serious health condition commenced.
- (B) The probable duration of the condition.
- (C) An estimate of the amount of time that the health care provider believes the employee needs to care for the individual requiring the care.
- (D) A statement that the serious health condition warrants the participation of a family member to provide care during a period of the treatment or supervision of the individual requiring care.

Upon expiration of the time estimated by the health care provider, the District requires the employee to obtain recertification, if additional leave is required.

The District requires that an employee's request for leave because of the employee's own serious health condition be supported by a certification issued by the employee's health care provider. That certification shall be sufficient if it includes all of the following:

- (A) The date on which the serious health condition commenced.
- (B) The probable duration of the condition.

- (C) A statement that, due to the serious health condition, the employee is unable to perform the function of the employee's position.

The District requires that employees obtain subsequent recertification regarding the employee's serious health condition on a reasonable basis, if additional leave is required.

As a condition of an employee's return from leave taken because of an employee's own serious health condition, the District requires the employee to obtain a certification from the employee's health care provider that the employee is able to resume work.

CFRA leave provided for in this Policy may be taken in one or more periods.

"Serious health condition" means an illness, injury, impairment, or physical or mental condition that involves either of the following:

- 1) Inpatient care in a hospital, hospice or residential health care facility; or
- 2) Continuing treatment or continuing supervision by a health care provider.

"Health care provider" means any of the following: an individual holding either a physicians and surgeon's certificate issued pursuant to California law, an osteopathic physician and surgeon certificate issued pursuant to California law, or an individual duly licensed as a physician, surgeon, or osteopathic physician or surgeon in another state or jurisdiction, who directly treats or supervises the treatment of the serious health condition. In addition, any other person determined by the United States Secretary of Labor to be capable of providing health care services under the FMLA shall also qualify as a health care provider.

The District may recover the premiums for such group health plans that it pays on behalf of the employee if both of the following conditions occur:

- 1) The Employee fails to return from leave after the period of leave to which the employee is entitled has expired; and
- 2) The failure of the employee to return from the leave is for a reason other than the continuation, recurrence, or onset of "serious health condition" or other circumstances beyond the control of the employee.

Your Rights and Responsibilities as a Pregnant Employee

If you are pregnant, have a related medical condition, or are recovering from childbirth, **PLEASE READ THIS NOTICE.**

California law protects employees against discrimination or harassment because of an employee's pregnancy, childbirth or any related medical condition (referred to below as "because of pregnancy"). California law also prohibits employers from denying or interfering with an employee's pregnancy-related employment rights.

The District has an obligation to:

- reasonably accommodate your medical needs related to pregnancy, childbirth or related conditions (such as temporarily modifying your work duties, providing you with a stool or chair, or allowing more frequent breaks);
- transfer you to a less strenuous or hazardous position (where one is available) or duties if medically needed because of your pregnancy; and
- provide you with pregnancy disability leave (PDL) of up to four months (the working days you normally would work in one-third of a year or 17½ weeks) and return you to your same job when you are no longer disabled by your pregnancy or, in certain instances, to a comparable job. Taking PDL, however, does not protect you from non-leave related employment actions, such as a layoff.
- provide a reasonable amount of break time and use of a room or other location in close proximity to the employee's work area to express breast milk in private as set forth in Labor Code section 1030, et seq.

For pregnancy disability leave:

- PDL is not for an automatic period of time, but for the period of time that you are disabled by pregnancy. Your health care provider determines how much time you will need.
- Once the District has been informed that you need to take PDL, the District must guarantee in writing that you can return to work in your same position if you request a written guarantee. The District may require you to submit written medical certification from your health care provider substantiating the need for your leave.
- PDL may include, but is not limited to, additional or more frequent breaks, time for prenatal or postnatal medical appointments, doctor-ordered bed rest, severe “morning sickness,” gestational diabetes, pregnancy-induced hypertension, preeclampsia, recovery from childbirth or loss or end of pregnancy, and/or post-partum depression.
- PDL does not need to be taken all at once but can be taken on an as-needed basis as required by your health care provider, including intermittent leave or a reduced work schedule, all of which counts against your four month entitlement to leave.
- Your leave will be paid or unpaid depending on the District’s policy for other medical leaves.
- You may also be eligible for state disability insurance or Paid Family Leave (PFL), administered by the California Employment Development Department.
- At your discretion, you can use any vacation or other paid time off during your PDL.
- The District requires you to use any available sick leave during your PDL.
- The District is required to continue your group health coverage during your PDL at the level and under the conditions that coverage would have been provided if you had continued in employment continuously for the duration of your leave.
- Taking PDL may impact certain of your benefits and your seniority date; please contact Human Resources for details.
- If possible, you must provide at least 30 days’ advance notice for foreseeable events (such as the expected birth of a child or a planned medical treatment for yourself.) For events that are unforeseeable, we need you to notify us, at least verbally, as soon as you learn of

the need for the leave. Failure to comply with these notice rules is grounds for, and may result in, deferral of the requested leave until you comply with this notice policy.

Notice Obligations of Employees.

- Give the District reasonable notice: To receive reasonable accommodation, obtain a transfer, or take PDL, you must give the District sufficient notice for it to make appropriate plans. Sufficient notice means 30 days' advance notice if the need for the reasonable accommodation, transfer or PDL is foreseeable, otherwise as soon as practicable if the need is an emergency or unforeseeable.
- Provide a Written Medical Certification from Your Health Care Provider. Except in a medical emergency where there is no time to obtain it, the District may require you to supply a written medical certification from your health care provider of the medical need for your reasonable accommodation, transfer or PDL. If the need is an emergency or unforeseeable, you must provide this certification within the time frame the District requests, unless it is not practicable for you to do so under the circumstances despite your diligent, good faith efforts. The District must provide at least 15 calendar days for you to submit the certification. See Human Resources for a copy of a medical certification form to give to your health care provider to complete.
- PLEASE NOTE that if you fail to give the District reasonable advance notice or written medical certification of your medical need, the District may be justified in delaying your reasonable accommodation, transfer, or PDL.

You may be entitled to additional rights under the California Family Rights Act of 1993 (CFRA) if you have more than 12 months of service with us, have worked at least 1,250 hours in the 12-month period before the date you want to begin your leave and the Company employs five or more employees. This leave may be up to 12 workweeks in a 12-month period for the birth, adoption, or foster care placement of your child or for your own serious health condition (not related to pregnancy) or that of your child, parent, spouse, registered domestic partner, sibling, grandchild or grandparent. Similar leave is available for a "qualifying exigency" related to the covered active duty or call to active duty of an employee's spouse, registered domestic partner, child or parent in the armed forces of the United States. While the law provides only unpaid leave, employees may choose, or employers may require use of accrued paid leave while taking CFRA leave under certain circumstances. For further information on the availability of CFRA leave, please review your employer's Notice regarding the availability of CFRA leave.

This notice is a summary of your rights and obligations under the Fair Employment and Housing Act (FEHA). For more information about your rights and obligations as a pregnant employee, contact Human Resources, visit the Department of Fair Employment and Housing's Web site at www.dfeh.ca.gov, or contact the Department at 800-884-1684. The text of the FEHA and the regulations interpreting it are available on the Fair Employment and Housing Commission's website at www.fehc.ca.gov.

However, you must inform your supervisor as soon as possible after receiving a jury summons so that arrangements can be made to accommodate your absence.
