

bravo!!!

nicki brace

I don't teach kids yoga only adults but it made me want toI cant believe how much thought was put into all of the songs. It's the cutest thing and from a yoga instructors perspective, it hits on everything I would want even adult yogis to know and take away from their practice.

A great resource

Jen B

As a yoga instructor, this is great music for kids yoga. But more importantly, as a mom of a three year old, the music would be a wonderful resource for any parent wanting to explore yoga with their children.

Yogi's Choice!

Carolyn Lee Jones

What an adorable Yoga CD for kids! As a musician and fellow Yogi myself I'll give this as a gift to all of my friends with small children.
