To Whom It May Concern:

I am writing on behalf of the Southwestern College A.B.L.E. Club (Abilities Beyond Limitations through Education). A.B.L.E. Club is an outstanding student organization which is dedicated to educating Southwestern College and the surrounding community about the amazing accomplishments, talents, and abilities of people who live with 'disabilities'. A.B.L.E. Club is comprised of students, with and without disabilities, and has an all-inclusive membership policy. The club unites people with and without special needs in a supportive environment at the college and within our community.

A.B.L.E. Club is hosting its 8th annual Air Cooled Fiesta, an International Vintage VW car show with attendees from the US & Mexico and event coverage on various local news stations. The purpose of the fundraiser is for student scholarships and the purchase of equipment that provides disabled students with opportunities to participate in many educational and social activities. This Air Cooled Fiesta car show will be A.B.L.E. Club's biggest fundraising event of the year.

We need your help with our upcoming Car Show, which will be held on May 17, 2020 in Imperial Beach (on Seacoast Dr). The donation from your business will greatly impact the success of our car show. Your donation will be publicly acknowledged at our well attended 8th annual Air Cooled Fiesta, international vintage VW car show through promotional announcements, flyer, and Web postings. Your business logo will also be prominently displayed on the flyer, which is widely distributed on and off campus and throughout the community. I'm certain that your business will benefit from the community recognition and appreciation generated by your kind donation.

Your donation is considered tax deductible. Once donation has been deposited to ABLE club account, you will receive a donation receipt with tax payer identification number.

To learn more about our group or our event please contact Robert Valerio at (619) 421-6700 x5209, (619) 482-6512 or via email: rvalerio@swccd.edu
