

**Laurel Oak Garden Center**  
**Attracting Hummingbirds and Butterflies to Your Garden**

**Planning Your Garden**

- Ensure you have a source of clean, fresh water available. A mister, fountain, pond or bird bath are all good choices
- Provide areas of both sun and shade
- Include shrubs and trees to provide perches, shelter and a place to build nests
- Plant flowers in tiers and include flowers that grow to different heights
- Include flowers of various colors
