2020 Season is Open!

Thank you to everyone that came out to have fun and compete at Morris Williams Sunday, January 26th. We have received positive feedback on the event and appreciate everyone who helped out. We look forward to continued growth and participation, it will only make each tournament and event that much more fun! (and the prizes will grow with participation!)

It was a lot of fun to watch the score sheets as everyone came in to see who the gross/net flight winners were, what the flighted skins were worth, and who would take home the #3 CTP bonus!

Our next tournament is SATURDAY, February 8th, at Jimmy Clay (greens and AGA fee \$39). We are going to request more tee times so please email: austingainfo@gmail.com if you want to play, use "Jimmy Clay Registration" in subject line and include if you want to participate in the fun & games (additional \$36 - TOTAL \$75).

We all want to play our rounds in under 4 hours. Tournament play always has longer rounds, but there are still some things we can do to speed up.

[See here](#) for some suggestions on picking up pace from the USGA. Thanks for playing ready golf at AGA!

Congratulations to our 1/26/2020 Morris Williams Winners:

Congratulations to our Gross flight winners at Morris Williams: **Nathan Neal, Ross Ulowetz, Brent Reeh, & Dick Roberts.** Another congrats to our 4 CTP winners: **Joe Santori, Phil Cook, Chris Moringy, & David Wilson!** Shoutout to our birdie challenge winner, **Horatio Aldredge**, nice job sir! Bringing back flighted skins increased the winners and the fun of the side games. We had 20 competitors take home at least skins and 28 players won a piece of the prize pool, congrats to all the winners! [\(full standings and results here\)](#)

Thank you to everyone for your patience with the new World Handicap System (WHS) rollout. We are still waiting on our new eClubhouse USGA platform, but have been doing everything manually through our own website in the mean time. Feel free to visit and bookmark:
