MENS GOLF CLUB

## Play it forward rules.

Play is from the forward tees. **No Deuce Pot Today.** On all holes subtract your handicap from strokes scored on each hole and record it on the score card. For example, if you shoot par on a hole and your handicap allows you one stroke then you shot a birdie. Any thing under par will be considered a **BIRDIE**. Simple enough! Have fun and don't forget to turn in your score card. 3 somes and 2 somes will be compensated when scored.
