Welcome to the Bull's Head Inn and thank you for having considered us for your event. The Bull's Head Inn has a long, rich history of serving groups, large and small for generations. We can accommodate many size events from cocktail parties, memorial gatherings, kids and adult birthday parties, showers, school events, business meetings, reunions, rehearsal dinners or elegant weddings. We have several private and semi-private rooms and a cellar tavern to accommodate your needs on-site, large off-site partner facilities, or we can even come to you. This menu is food for thought. If you desire other options or special requests, we will do our best to delight you. Please allow us to cater your event to make it the special day you want. We can fit to any budget and need.

Off-site catering options are available including package-deal pricing, as we can provide both full meal service and bar service. Catering is available at your location or at any of our partner facilities that meet your needs. We can come to you or have platters ready to go. Additional charge to prices listed may apply for off-site catering.

So let us take the work out of your hands with our professional staff, and food that is a taste above others. We will make your day special, and memories that will last a lifetime.

Thank you. See you soon!
