We would like to thank everyone for their time and patience this year!! We know how valuable everyone's time is!! We were all new to these positions and it took a lot of work for us to get up to speed but we now have a good grasp on how things have been done and how we can improve. We have some new & exciting things we want to implement next year! We will be working hard over the summer to be ready to tackle it next year!! Happy Summer!!
