

Papilio Stage Plan

(stage back)

Anthony

Fiddle: Has own mic & DI (mic preamp). Requires xlr cable from DI to board. Requires 120v power for DI.

Vocals: Requires good vocal mic on mic stand and channel to board

May require high stool or armless **chair** if playing for long periods

Monitor needed for large venues

(stage front)

Jennifer

Flutes and speaking: Can use own SM58 mic or can use any good vocal mic on a stand provided by venue; requires channel to board

Bodhran: Requires good percussion mic on mic stand, set up on left side of armless chair approx. 3' from floor, and channel to board

Requires high stool or armless **chair** when playing bodhran, or if playing for long periods in general

Monitor needed for large venues

Phil

Guitars: Has all own mics / DI, which include guitar mic, guitar preamp, and mic for speaking. Requires 3 xlr channels to board for the above.

Requires 2 mic stands, one for guitar mic, one for speaking mic.

May require high stool or armless **chair** if playing for long periods

Monitor needed for large venues
