

GENERAL POLICIES

- 1. LISD ATHLETIC HANDBOOK:** Please take the time to familiarize yourself with the LISD athletic handbook. The handbook may be accessed on line through the athletics page of the main LISD web site.
- 2. REPORTING ABSENCES:** Please notify the coaches in advance when your son is going to miss a practice, game or team function for any reason. Failure to notify the staff will result in **disciplinary action for the offending player. The responsibility is ultimately the player's.**
- 3. REPORT ON TIME FOR TEAM FUNCTIONS:** This includes practices, meetings, bus departures, team functions, etc...
- 4. PROPER MAINTENANCE OF TEAM ISSUED EQUIPMENT:** Players are ultimately responsible for all equipment issued to them by the coaches. This will include such items as: practice gear, game gear, travel bags, travel clothing. **COLD WATER WASH AND HANG DRY ALL ITEMS** to make our equipment last. Lost items must be replaced. We must charge a fee to those who have lost equipment. Price will be determined once the cost of replacement has been established.
- 5. EACH PARENT should schedule a time to work our concession stand.** We will also be hosting TWO TOURNAMENTS in which our teams get an opportunity to play more games at home. We will need volunteers to make the tournaments run smoothly. Fulfilling these roles is a vital component in hosting our home games. It is also a wonderful revenue source for our Booster Club.
- 6. EACH PARENT** should become a member of the booster club and be prepared to assist in at least one fundraising effort during the school year.
