Exodus

1. What does the word Exodus mean?
2. When Moses was born, in Egypt, the Pharaoh had demanded that all newborn sons of Hebrews were to be killed. When Moses was three months old and could no longer be hidden, Moses' mother saved Moses from this terrible fate, how?
3. When Moses grew up he was out shepherding a flock of sheep when God appeared to him. How did God appear to him?
4. God told Moses to free the people of Israel and take them to their promised land. When Moses first went to the Pharaoh, what was one of the things he did to prove he was a messenger of God?
