Dear Friend of PAL,

It is with great appreciation that I acknowledge your in-kind donation supporting the Toy Run for PAL. Your act of kindness is directly related to your commitment to impact the community in a positive manner. Your benevolence helps us in our commitment to impact the lives of youth through the employment of strategies that challenge youth in the intervention and prevention of community problems. It is our hope to attract, challenge, and prepare youth to be vocal, visible and vigilant in restoring safe communities and healthy families.

On behalf of the organization, the community at large and most importantly, the children who are the recipients of your gracious gesture, THANK YOU.

Respectfully,

*Paul Pearson*
