

HCFC Taproot Scholarship Program

Thank you for your inquiry into our **Taproot Scholarship Program (TAP)**.

This scholarship program is designed to WEAVE THE TAPESTRY OF OUR FARM COMMUNITY. It is rooted in the premise that we are all resourceful and full of resources. TAP allows families to explore and use their untapped resources to make a difference in our farm camp program. It is our intention that through collaboration we can create a sustainable community.

Goals of TAP:

- To make farm camp financially accessible to as many campers as possible
- To provide an opportunity for families to share, learn, and grow through their active participation in the life of the farm and the HCFC community
- Many hands make light work! Having a few extra helping hands and willing hearts around the farm is helpful to our staff, enriches our farm camp program, and benefits our campers.

How does this program work?

All families are asked to contribute financially to their child(ren)'s farm camp experience at the highest level possible. In the case that our tiered pricing scale is financially prohibitive for their child(ren) to attend, the family is asked to consider the amount they can financially pay and the way(s) in which their family can contribute to the maintenance, operation, or growth of the camp. Through a reciprocal relationship parents/family can share their time and talents in exchange for a small reduction in farm camp session fees. Through conversation, a mutual agreement of financial contribution and volunteer hours is determined. The areas in which families can help are many ~ facility cleanup on weekends, facility repairs and maintenance, farm work, processing harvested food, gardening, weeding, and canning/preservation days.

Although we strive to make every request for Taproot Scholarship possible, we are limited with our funds, and may not be able to accommodate every request particularly if request is for multiple sessions, and/or multiple campers. Participants are determined based upon the needs of our camp program and at the discretion of our Administrators. HCFC does not discriminate based on race/ethnicity, color, national origin, sex, disability, political beliefs, religion, sexual orientation, or age in the administration of this program or any other program.

We thank you for your participation in our Taproot Scholarship Program and look forward to a wonderful working relationship with your family. We ask that the details of the scholarship agreement be kept confidential between your family and the farm. We work with each family that applies to scholarship program to establish a volunteer/tuition reduction plan that meets the financial budget of the family and serve the volunteer needs of our farm camp program.
