## About Workers 4 Wishes (W4W)

W4W is a **registered charity** that is dedicated to granting wishes to children in New Brunswick who face life-threatening illness. We are comprised of volunteers from local unions (International Brotherhood of Electrical Workers Union Local 502, Millwrights Local 2262, the Carpenters Union, Local 1386 & the Pipefitters Union UA213), as well as friends and community partners. We take pride in working personally with the child and family to create custom wishes. Because W4W is run by **volunteers**, funds raised can go directly to donating wishes.

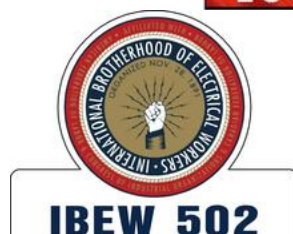

Please refer to our website at [www.workers4wishes.com](http://www.workers4wishes.com) for more information, as well as to see wishes we have previously granted, and also our great sponsors & community partners.

## Wish Criteria

Anyone is encouraged to refer a child, including: family, friends, nurses, support organizations, social workers, and doctors. A child may even wish to apply for a wish themselves.

For a W4W wish consideration, the child must be between the ages of 3 and 18, and have a high-risk/life-threatening illness. Children must live in the province of New Brunswick. They should be able to safely partake in a wish; W4W reserves the right to ask for approval from a primary medical professional if safety is in question or the child's condition changes.

*For more information, please contact Ryan (W4W president) at (506) 608-6303.*
