

Kentucky NSDA Folk:

The Fifth SPEAK Conference (SPEAK V: SPEAK Strikes Back) for Speech and Debate teachers and coaches will be held in Elizabethtown September 9 and 10. September 9 will be for beginning coaches – you decide if you fall into that or not – with 3 hours' inservice credit earned. September 10 will be six hours, for everyone, and a great day! We have a great lineup of the greatest hits of SPEAK 1-4 plus a few new sessions (including on new events like Informative and POI) plus information on how to document speech/debate in Program Reviews, how to teach Common Core speaking and listening requirements – and food and door prizes to boot!

I can't encourage you enough to come to SPEAK. SPEAK – the Speech Professional Education Alliance of Kentucky – is a coalition of the five speech and debate organizations in Kentucky (we added in Wilson Wyatt this year!). We are all working together to help our teachers and coaches start the year off right. We can't wait to SPEAK with you! Please hit me up with any questions, and SIGN UP TODAY!

Your District Chair,

Steve Meadows
