Private Lesson Policies and Guidelines

- 1) We have a 24 hour cancellation policy for all privates – If the lesson is a “no show” or last second cancellation, you will be charged for the lesson. This is only fair to our pros and members because court time was booked for the lesson. It is very difficult to fill lesson slots or open courts last second and the pros are depending on the lesson income and their time is valuable. Court time inquiries are often turned away for locked in lesson times and when they are not used the club and pro loses money.
- 2) For initial sign up with a pro, it is required to lock in the pro for scheduling by prepaying for a minimum of 3 private lessons.
- 3) Payment will always be for one lesson in advance. This helps ensure the legitimacy of booking lessons. If you prepay for a lesson that was never fulfilled due to your pro’s availability, an alternative pro can be pursued or a refund will be granted.

Accounts with balances greater than \$100 will be required to pay before you play.
