R U Praying? 7-5-2 Prayer@ Home Campaign Continues

Last Sunday we invited everyone to join in a 7-5-2 Prayer@ Home Campaign for the month of February. We are praying together for 29 days.

- 7 – Praying seven days a week individually for yourself and your families.
- 5 – Praying five times a week as a family including meals and bedtime.
- 2 – Praying at least two times a week with your spouse or a close friend.

Donna and I have found the 29 day prayer Calendar very helpful in guiding our prayers each day. Thank you to Priscilla McCabe and our Family ministry team in providing the resources to direct our efforts. I hope you got a prayer packet on Sunday. This is an excellent resource! It has a prayer@home action plan, prayer tools and a section on how to “*jump start*” your prayers, even including guidance on what to pray. It is not too late for you to join us in praying together. The goal of our campaign is to be intentional and strategic in making prayer a central part of our homes. Please join us in seeking the Lord in prayer for one another.

This past Sunday I presented a message from John 2:1-11, where the main lesson is to trust in our heavenly Father who hears us and longs to provide for our needs abundantly. This miracle reveals that Christ is the winemaker, way-maker God. He invites us to come to him when our wine (joy) runs out and trust that Jesus cares about our lives. I hope this truth inspires and encourages you to turn to the Lord in earnest prayer.

I invite you to be in attendance this Sunday to hear our dear friend Phil Miller. Phil will be singing and preaching. Donna and I will be traveling to participate in a conference in San Antonio. Thanks for praying for us. We will certainly be praying for you! Invite someone to join with you in worship!

Let's keep seeking the Lord together in prayer.

Prayerfully,
Pastor Garry
