SALTESE TRESTLE UPDATE

For several years, we have been searching for a funding source to restore the Saltese Trestle.

Total bill will be about \$1,500,000.00. But, we think we have found \$1,000,000.00 in Federal funding!!!

WE NEED YOUR LETTERS OF SUPPORT TO GET IT DONE. AND NOW!!!!!!

Step 1: Write/type a letter/note of support for “Restoration of the Saltese Trestle.”

Step 2: Include your name and address.

Step 3: E-mail it to Brooke at **blincoln@blackfoot.net**

Step 4: Get it done by March 6.

Your letters don't need to be lengthy. Personal is better. Comment about how you use the trestle and why it is important to you.

The grant application is due March 10 so we need your letter no later than 5:00, March 6 to give us time to get everything put together.

Hope to hear from you all SOON. Thanks, Brooke

Address your letter to: Congressman Ryan Zinke
