www.teamhoustonbaseball.com

Although the idea was formed over 10 years ago, the TH Baseball Corporation was officially formed in 2016. Coach Earl Luckett was trying to find a way for the top-level baseball talent in Houston and surrounding areas to play together and compete in some of the larger national tournaments. Now in our 11th season, Team Houston has 11 teams ranging in age from 11U through High School which workout and practice in the Woodlands/Conroe area at Scrap Yard Sports, 29807 Robinson Rd, Conroe, TX.

Our teams participate in National tournaments every summer including some of these prestigious events:

- Grand Slam World Series of Baseball – Panama City, Florida
- Cal Ripken Experience – Pigeon Forge, Tennessee
- 12U Cooperstown – Cooperstown, New York
- Perfect Game BCS – Fort Myers, FL
- Perfect Game WWBA National Championships – Hoover, Alabama and Marietta, Georgia
- Several High School College Coach Showcase tournaments – Houston, TCU, Sam Houston, and surrounding areas

Please visit our website to view our accomplishments, Christmas Adopt-a-family events, and learn more about our mission, our coaches, and our program. Thank you for assisting us in helping our athletes achieve their college, career, and life goals.
